Jesus drives out the moneychangers from the Temple and says that he will destroy the temple and raise it up again. John 2:13-25

Our churches are places of prayer and worship because Christ is present in them in a special way. After Jesus was raised from the dead, the disciples knew that Jesus was present with them when they gathered for prayer. Our churches are holy places because we experience Christ's presence when we gather for prayer. By the power of the Holy Spirit, Christ is also present with us each day. We show reverence not only at church, but also in our actions each day.
